### **Presentations/ Invited lectures/ Posters/ Published Abstracts**

#### Bristol Hip Meeting, Bristol, UK 2-3 November 2017

- Update on treatment of femoral AVN
- Femoral neck fracture management

#### German Congress of Orthopaedic and Trauma Surgery (DKOU), Berlin, Germany 26 October 2017

- Die komplexe Hüftrevision - “Acetabular revision - just revision or reconstruction?”

#### 18<sup>th</sup> Congress of European Federation of National Associations of Orthopaedics and Traumatology, Geneva, Vienna, Austria 2017

- **Waters T**, “Protrusio Acetabuli”
- “Hip Revision - Acetabular reconstruction”

#### Contemporary Challenges in Hip Surgery, Vienna, Austria, November 10-12 2016

- “Trabecular Titanium: pivotal material for the long term survival in the acetabular side”

#### International Society for Technology in Arthroplasty, Boston, USA October 5-8, 2016

- G Schaller, **T Waters**, N Davies, P Whittingham-Jones, “Trabecular Titanium in Acetabular Reconstruction Demonstrates Early Stability and Ingrowth” **Bone Joint J Mar 2017, 99-B (S-5) 137**

17<sup>th</sup> Congress of European Federation of National Associations of Orthopaedics and Traumatology. Geneva, Switzerland 1-3 June 2016

• **Waters TS**, “The very young patient – diagnoses, preferable components and bearings?”  
International Combined Meeting BHS-SIDA, Milan, Italy 26-27 November 2015

• **Waters TS**, West S, Schaller G, Bloch B, “The bioball taper adapter in revision hip arthroplasty”

• G. Schaller, N. Simson, P. Whittingham-Jones, N. Davies, **T. Waters**, “Medium term outcomes of the delta trabecular titanium cup in primary hip arthroplasty” (poster P65)

• **T. Waters**, N. Davies, P. Whittingham-Jones, G. Schaller, “Acetabular revision with trabecular titanium - 120 cases with a 2 year minimum follow-up” (Poster P117)

Bristol Hip Meeting, Bristol, UK 1-2 October 2015

• Debate: What’s best for the 50 to 60 year old patient: The cementless total hip replacement

• Augments and outcomes in revision total hip replacement

16<sup>th</sup> Congress of European Federation of National Associations of Orthopaedics and Traumatology. Prague, CZ 27-29 May 2015

• Maunganidze T, Singh P, **Waters TS**, Davies NM, Goldman J, Whittingham-Jones P, “A Multidisciplinary Team Approach To The Management Of Infected Joint Replacements: A 15-Month Review In A Large General Hospital In The East Of England”
